

AGED CARE SEATING

Aged Care

We're committed to providing the best quality seating for our aging population. Our focus goes beyond the user to the carer, ensuring our seating makes their job as easy as possible.

This brochure has been specifically designed to showcase our range and our flexibility when it comes to assisting you in finding the right seating solution for your facility. We have specialised products for many aspects of aged care including residential, respite, palliative and long-term care.

Our consultants are available every step of the way to assist you on your journey towards finding the most suitable seating for your facility. Please speak with our team if you have any questions.
