AGED CARE • ACUTE CARE • CLINIC CARE

## Welcome to the Careleda Healthcare brochure.

At Careleda, we aim to make exceptional care concepts that help or heal, become reality.

Our innovative, modern seating helps to transform aged care, acute care and clinical environments into bright, contemporary spaces.

Our focus is on making a difference in the lives of carers and patients. When we make an emotional and physical improvement to those who need care, the carer, the family, the friends and support persons we have achieved our goal.

Our seating comes in an extensive range of colours to cater for your design requirement.

# About Us

Everyday we design, make, deliver and install seating into a range of Aged, Acute and Clinic healthcare settings internationally.

Based in Sydney with onsite manufacturing, operations and global partnerships, we are consistently striving to deliver seating solutions which not only look great but empower healthcare practitioners to best care for their patients. We are truly focused on making a difference.

With decades of experience and knowledge across our team, you can be assured that our team will work with you in providing seating solutions that assist in the delivery of global leading care.

We have an International Service Team in place as part of our commitment to ensuring premium customer aftercare.

## Our Seating

Our chairs are supplied into a diverse range of healthcare environments.

With every design comes a great deal of planning and thought. We always start by considering the patient and the carer. For us, it's all about understanding the issues and finding solutions which are not only functional, but look great.

We pride ourselves on delivering exceptional seating that truly makes a difference.
